EUROPEAN COMMISSION

Office of the President Ms Ursula von der Leyen
Head of Cabinet

Brussels, February 18, 2020

Dear Dr Michailidis,

President von der Leyen would like to thank you for your letter of 6 February 2020 regarding the Conference on the Future of Europe and in which you encourage, amongst other things, interparliamentary institutions to pursue a dynamic presence in the governance of the Conference process and urge the European Parliament to provide interparliamentary bodies with a forum for presenting their positions during the Conference.

We appreciate your readiness and support to participate in the whole process.

President von der Leyen asked me to inform you that Vice-President Šuica is looking into the points you have raised and will respond to you rapidly.

Yours sincerely,

Bjorn Seibert
